Vi viser til vårt møte av 23.mai 2006 der vi diskuterte dine muligheter for videre studier i design ved vår høyskole og andre utdannings- og jobbmuligheter for deg. Vi har tidligere vurdert din utdanning (brev av 23.5.02, SHKS) som likeverdig med den 3-årige høyskolekandidatgraden. I 2004 ble norsk godkjenningsspraksis endret for "nyere" russisk utdanning. **Din 5-årige utdanning som designer av klær fra 1995 godkjennes derfor nå fullt ut etter tid-for-tid-prinsippet som 5 års høyere utdanning/300 studiepoeng.**
